

Out from the Wilderness

Ol' Abe Lincoln came out from the wilderness,
Out from the wilderness, out from the wilderness,
Ol' Abe Lincoln came out from the wilderness,
Down in Illinois.

Ol' Abe Lincoln always spoke for our liberty,
Spoke for our liberty, Spoke for our liberty,
Ol' Abe Lincoln always spoke for our liberty,
Down in Illinois.

Ol' Abe Lincoln believed in our freedom rights,
Believed in our freedom rights, believed in our freedom rights,
Ol' Abe Lincoln believed in our freedom rights,
Down in Illinois.

Speaking part:

History says he was lanky tall,
History says he has rumpled look,
Born in a cabin, he is the president,
Lincoln led the way.

Ol' Abe Lincoln came out from the wilderness,
Out from the wilderness, out from the wilderness,
Ol' Abe Lincoln came out from the wilderness,
Down in Illinois.

Ol' Abe Lincoln always spoke for our liberty,
Spoke for our liberty, Spoke for our liberty,
Ol' Abe Lincoln always spoke for our liberty,
Down in Illinois.

Ol' Abe Lincoln believed in our freedom rights,
Believed in our freedom rights, believed in our freedom rights,
Ol' Abe Lincoln believed in our freedom rights,
Down in Illinois.
